

Meeting Minutes
December 8, 2000

President Max Taylor called the meeting to order at 7:38. There were 46 members and 7 guests present.

Minutes of the previous meeting were approved as published in the Prop Wash.

New guests were introduced and there were some reports on the status of members who had been ill.

Treasurer Don Ramsey was unable to attend the meeting. Max provided the Treasurers report. Barnstormers' cash balance is quite good. The balance sheet and budget were available at the head table for member inspection.

Old Business

The Gold Leader Club application is ready to submit with the exception of a technical item concerning the donation of a Model Aviation Magazine subscription to Reeves Elementary School. Terry Foote moved for approval to place this existing subscription under the Barnstormer name. This was seconded and approved.

New Business

The memberships of Arthur Geist and Charles McCraw were approved.

President Taylor installed the new officers. He reviewed the duties of each officer, as described in the Club Constitution and By-laws. The incoming officers promised to abide by these. The following officers will serve until December 2001:

President	Brad Wall
Vice President	Greg Gathright
Editor	Jack Evans
Treasurer	Don Ramsey
Secretary	Ken Bauske

Outgoing President Taylor expressed his thanks to all those members who had helped him over the past year. The membership responded with a round of applause for the past administration. Included in this round of applause was appreciation for the two previous administrations (Dwyer and Foote), which inadvertently had been under-expressed at end of term.

Max announced that, as has been customary, there would be no January meeting. The next meeting will be on Thursday, March 8 2001.

There was no Model of the Month or Raffle.

The meeting adjourned at 7:51. A swap meet and auction followed.
