

FROM THE SECRETARY

Barnstormers Meeting Minutes for May 5,2005

Meeting was called to order at 7:30 pm by Bob Upton.

All officers were present.

There were two visitors.

New member Robert Curtis joined.

Field status: work is proceeding to kill broad leaf and mejia. Reseeding has been done with Bermuda.

Currently have 160 members.

Gary Baumgartner reported on the status of the kitchen project. All cabinets are installed and painted. Appliances have been delivered. Counter tops are on order with expected delivery by May 21. Range hood will be installed when counter tops arrive. Expenditures to date are about \$3667.00. Approved budget is \$4200.00. Expect to spend no more than an additional \$200.00. Bear did the demo of the old kitchen. Doug Baumgartner helped with the cabinet installation. Gene, Robert Curtis, and Terry Foote helped with painting. Paul and William Langner did the electrical. Max helped with various items. Thanks!!!!

Scholarship fund: plans are to award a \$500.00 scholarship for the 2005-2006 school year.

Volunteers are needed for the planning and organization of the Electric fly. Please call Kirk Jensen or Scott Mrosko if you want to help.

Security of the club trainers was discussed. Do definitive answer as yet.

There were five planes for show and tell.
