(Meals on Wheels building)
on the first Thursday of
the month at 7:30 PM**

**We hope to see you
there.**

October what a blast! We had some great weather and flying for best with over 50 pilots and many more guests in attendance. A large number of visitors came to the club and stayed multiple days at the field. There were many competitions and gaggle flying events that were held. Combat was typical with many near misses and a single plane knocked out of commission at the end of the event.

I would like to thank our sponsors that provided materials for the auction and raffle.

- Legend Hobbies (plane for auction + door prizes)
- Performance RC (plane for raffle)
- Randy's Hobbies (plane for raffle)
- New Creation + Anonymous Member (planes and door prizes for auction/raffle)
- Sam Barrett (club member donated plane for the auction.)

Our next club meeting is Saturday November 2nd 9am. The club officer nominations are to be received and voted on with the new board to be installed in December. Contact one of the current board members to offer yourself up for any of the positions.

Come on out to the field and fly.

Joe

Meeting Minutes

October 2024 Tri-County Barnstormer Meeting minutes.

Meeting called to order at 8 am October 4, 2024 at field with 25 members and 2 visitors present.

Secretary report: September minutes were approved by unanimous voice vote.

Treasury report: Around 3/4 of the members have paid their dues. Please mail your dues to PO Box 916, New Waverly, TX 77358. All invoices have been mailed and if you have not received one the invoice amount for the dues is \$200 for the 2024/2025 club year. Bank balance is healthy with all major bills covered till after our next member renewal cycle. Current roster is 132 members however the contact for many club members has become inaccurate. Please reach out to the treasurer at treasurer@tri-countbarnstormers.com to update or fill out a form located in the clubhouse to update your information.

Vice President report: New concrete pavilion deck and bathroom ramp installed. New door at the 2nd bathroom and rail for the ramp were installed. The small lawn tractor leveling wheel bracket was replaced and deck leveled. If you are using equipment and something appears to be damaged please let the VP know so repairs can be started.

Old business:

Brush hog gearbox was repaired using materials already at the club. In September the VP presented a device that can be added to the Zero turn that would allow edge trimming while cutting the grass with the mower. The string trimmer attachment can be looked at on the website weedwolf.com. A second vote was held and approved to set a budget of \$1500 to acquire and add a Weed Wolf to the Zero turn.

New Business:

A nominating committee has been set to identify candidates for all the board positions. President, VP, Treasurer, Secretary, Editor, Webmaster, and Safety officer positions are accepting nominations from the committee.

3 new members were voted into the club: Dan Brown, Ernest Butler, and Rocky Kelman.

Attendance jackpot winner was Russ Hauser who was not present so the prize rolls over to the next month.

Meeting adjourned at 8:45am and BEST kicked off at 9am.

Lots of flying, model discussions, and fun commenced after the meeting.
