PRESIDENTS CORNER

TCBS Fliers welcome to 2025. What a bang for a new year with the cold snaps and snow. Hopefully Santa (and your loved ones) brought you some new toys of flight tools. Winter is always a good time to work on repairs or servicing of your engines. I know I have spent a good amount of time in the garage doing repairs myself on the past oops of last year. Have a couple of new builds that I have worked on and will have out to the field soon.

The next meeting is at the field on February 1st 9:30 am.

Welcome to 2025 and come on out and fly!

Joe

Secretary report

Steve Baker

Hello Fellow Club Members,

First of all, I would like to thank the Club for nominating me as the Club Secretary. I have been a member of the Club close to 20 years and have never been an officer. I really look forward to the coming year and how we can better the Club.

I am Steve Baker from Huntsville, TX and now reside in Conroe, TX. I have been in the golf cart business for 22 years, owning my own business until 2019. I now work for Action Buggies in

Willis, TX.

RC Planes are my passion with over 50 planes in my hanger. I actually like building planes as much as flying them.

I am really looking forward to better weather and time change to be able to fly 2 or 3 time a week.

If I haven't met you yet, I am really looking forward to doing so.
