Our next event is the Fun Fly September 11-13. The intent is to get together and fly anything (AMA regulated) at the field. The CDs are working on fun activities and if you visit the club meeting room you will see two target drones that will be used for one of the planned events (paintball). Make your plans to attend and get your favorite planes/gliders/helis etc. ready to fly.

Reminder that the club annual dues are out for the Aug '26 to July '27 fiscal year. Payments can be in the form of a check (mailed to club PO Box), cash handed to a board member (get a receipt), or sent to the club account through Zelle.

Meetings are held on the first Saturday of the month at the Flying field at 9:30 am
We hope to see you there.

Special thanks to Lowell who was able to get the city/county/state to fix the entrance to Tafelski from 75.

Please make sure that your AMA stays up to date.

If you do work at the field, please make sure that you add it to the volunteer list.
