PRESIDENTS CORNER

Welcome to the warm weather. Hot June and even hotter July. If you have not been out to the club lately, make the trip, you will be surprised at the amount of changes and additions the club members have made. Some great seating has been added to the airconditioned viewing pavilion.

Big Bird was a success and remember our upcoming Fun Fly in September and the BEST in October.

We will be having a meeting at the club on July 4th 9:30am.

Regards
Joe
